1. Select *Are you Doing the Core?* Tab
2. Select *Instructional Practice* on left side of screen or scroll down

These tools provide specific guidance for what the CCSS for ELA look like in planning and practice. They are designed as developmental tools for teachers and those who support teachers. These tools can be used for:

- Teacher self-reflection
- Peer-to-peer observation and feedback
- Instructional coaching

K-2 Instructional Practice Guide for ELA
