A must-have resource for any K-12 classroom teacher, *Teaching Vocabulary in All Classrooms, 5/e* presents a comprehensive framework for seamlessly and effectively incorporating vocabulary into everyday classroom instruction across all content areas. Respected literacy researchers and educators Camille Blachowicz and Peter J. Fisher provide fresh and current ideas for implementing best-practice vocabulary research and classroom-tested strategies for beginning as well as experienced teachers who want to build or revitalize their curriculum.

This new edition retains the most popular features of the earlier edition and includes:

- **New and expanded ideas for teaching academic vocabulary.**
- **New resources such as learner’s dictionaries for spelling and morphology instruction** for older students.
- **Expanded coverage of vocabulary instruction** for diverse students, particularly English language learners and struggling readers.
- **An emphasis on connections to the Common Core State Standards.**

The following special features help guide the reader:

- **Prepare Yourself**—A knowledge-rating activity that introduces the major content issues by asking students to evaluate their prior knowledge.
- **Strategy Overview Guide**—A guide to the instructional strategies highlighted in each chapter; it can be used as a quick reference tool.
- **Common Core Connection**—Links chapter content with the Common Core State Standards.
- **Teaching Idea File Cards**—Shorthand references to a number of practical strategies and resources to duplicate in a teacher resource file or curriculum resource guide.
- **Classroom Investigation and Book Club Questions**—Ideas for discussion in university classes or teacher study groups.
- **Appendices with a wide range of additional resources**, including: school dictionaries and thesauruses, books for expanding vocabulary and word play, computer programs with a vocabulary focus, vocabulary word games, and vocabulary websites/apps.
