### **Improving Adolescent Literacy: Content Area Strategies at Work (Edition 3)**

By Douglas Fisher and Nancy Frey

ISBN-10: 0132487128

ISBN-13: 978-0132487122

Practical, straightforward, and affordable, this guide gives middle and secondary school teachers the tools they need to support their students' comprehension and success in literacy and in content area learning. The classroom-proven strategies and procedures included are taken from the authors' and their colleagues' experience in middle and secondary classrooms. Each chapter opens with a vignette from an actual classroom to show readers effective teaching in action and to give them a look at how the chapter's instructional approach works within content area teaching. Research-based rationales for each strategy follow the vignettes and provide an in-depth look at how to implement the strategy, along with examples of each strategy across the curriculum.
