*The Illinois Board of Higher Education has notified *Grapevine* and the State Higher Education Executive Officers (SHEEO) group that it is reviewing and revising both the enrollment and financial data previously submitted to *Grapevine* and SHEEO's State Higher Education Finance (SHEF) project. All of this is being done to more accurately reflect state fiscal support for higher education in Illinois. Revised Illinois data, along with explanations for those revisions, will be posted in next year's *Grapevine* report, which will appear in January 2018. Until then, Illinois data have been removed from the *Grapevine* tables. We look forward to working with the IBHE as it reviews its data reporting process.
