^aFederal funds provided directly to colleges not included; only funds that passed through the state. ^bThough the bulk of federal stimulus funding was allocated in 2020, it is included in FY21 (when it is being used). ^cDirect reports were provided to *Grapevine* by the Florida Independent Colleges and the Community Colleges. Other funding was calculated directly from the Florida FY21 budget. ^dReported funding includes a reduction creating a 7% reserve for universities that may be restored at some point in 2021. ^eFunding provided by the State Department of Education was calculated directly from FY21 budget documents. ^fThe one-year increase reflects a one-time funding of colleges during the pandemic.
