

# ILLINOIS STATE ACTION FOR EDUCATIONAL LEADERSHIP PROJECT

## Developing Collaborative University-District Partnerships to Prepare Learning-Centered Principals

November 1, 2010

Illinois State University Alumni Center  
1101 North Main Room 118  
Normal, IL 61761

### Agenda

#### Goals:

- **Demonstrate a willingness and eagerness to change, as individuals and organizations, in order to meet the stated purpose of developing learning-centered principals.**
- **Demonstrate how to identify and create “enabling conditions” for successful university-district partnerships.**
- **Demonstrate how to create and implement a process that will result in a successful university-district partnership to select and prepare learning-centered principals.**
