

INTERESTED IN GRANTS?

ISU's COE has a Grant Support Specialist on staff who can assist you throughout the grant process!

BEFORE THE GRANT *Your Grant Support Specialist can help you:*

- Brainstorm and conceptualize your ideas
- Explain the grant submission process
- Locate current grant opportunities
- Estimate the time needed to develop the grant application
- Free you to focus on the *intellectual content* of your ideas rather than many of the technicalities of the grant submission

WRITING THE GRANT *Your Grant Support Specialist can help you:*

- Write a Letter of Intent to send to Foundations to gain their attention
- Assist with editing and revisions of the grant document
- Assist with developing a budget
- Review and provide feedback on your written grant content

SUBMITTING THE GRANT *Your Grant Support Specialist can help you:*

- Enter the grant into *Cayuse*, ISU's online grant system
- Serve as a liaison between the COE and RSP
- Notify approving members that your grant is ready for review

AFTER THE GRANT *Your Grant Support Specialist can help you:*

- Keep track of important dates and keep you on your timeline
- Communicate with the grant awarder when necessary

Contact your very own COE Grant Support Specialist, Dr. Ray Amirault, at ray.amirault@ilstu.edu (DeG 551) to schedule an appointment to talk about your grant ideas, plans, and timeline.
